
SPIRITUAL GROWTH PROGRESS SURVEY

As a Christian, each one of us is on a spiritual journey. A journey towards being a true disciple of Jesus Christ. A disciple whose goal is to become like Christ in every aspect of our life.

The Spiritual Growth Progress Survey (SGPS) is a tool to help you in that journey.

The SGPS is a tool that will help you to picture your spiritual growth.

Why are you taking this survey? Because like we discussed earlier in the manual, God wants us to look at ourselves.

“Test yourselves to see if you are in the faith; examine yourselves!” 2 Corinthians 13:5

You are simply doing what God wants each of His children to do. Look at yourself to see if you are in the faith or on your own path.

You cannot pass or fail this survey.

The survey is designed to give you a picture of your spiritual health at this time in your life. You will discover your strengths and weaknesses so that you can determine where you need to focus your study efforts. That way you can take the steps necessary to have a strong and healthy journey in Christ. A journey that is producing great results from your efforts.

The SGPS is divided into four sections. Each section builds upon the previous sections.

Let me ask you a question. How many of you have ever seen a tree that has been cut down or blown over in a storm and the middle is hollow? Kind of like the tree in the picture here.

You usually get to see a tree with a hollow core after it has been blown over during a storm. Or maybe the tree was cut down because it was not producing leaves or fruit. Or maybe some of its limbs were falling off and the tree had become a hazard.

God is so good to give us pictures in nature that relate to our lives. Pictures that help us to grow in Him. However strong the middle or core of that tree is will determine how it withstands the winds and storms. However strong our core is will determine how well we stand in the winds and storms of life.

How strong is your inner being?

How strong is the foundation of your life?

SGPS section 1 ...

can be seen as the very heart of the tree. Section 1 helps to establish a strong foundation for every Christian. It is the confirmation of your salvation and your understanding of your salvation experience.

As I mentioned earlier (pages 24 – 26), God wants everyone to come to Him. It is important that you have a confidence in your salvation.

*“This was in accordance with the eternal purpose which He carried out in Christ Jesus our Lord, in whom we have **boldness and confident** access through faith in Him.”* Ephesians 3:11-12

SGPS section 2 ...

can be seen as the second ring of the tree. Section 2 deals with your core beliefs. These are the basic foundation beliefs you have concerning the Christian life. These beliefs will determine how you understand things, how you relate to others, and how you act in life.

“he is like a man building a house, who dug deep and laid a foundation upon the rock; and when a flood arose, the river burst against that house and could not shake it, because it had been well built. But the who has heard, and not acted accordingly; is like a man who built a house upon the ground without any foundation; and the river burst against it and immediately it collapsed, and the ruin of that house was great.”
Luke 6:48-49

SGPS section 3 ...

can be seen as the third ring of the tree. Section 3 deals with your virtues. These are the character traits that make up who you are. They determine how you act in different situations. They determine how you relate to others. Many people call these the fruits of the spirit.

“But I say, walk by the Spirit, and you will not carry out the desire of the flesh. For the flesh sets its desire against the Spirit, and the Spirit against the flesh; for these are in opposition to one another, so that you may not do the things that you please. But if you are led by the Spirit, you are not under the Law.” Galatians 5:16 - 18

SGPS section 4 ...

can be seen as the fourth ring of the tree. Section 4 deals with your actions. These could be seen as the functions of the body. These are the things you do as a Christian in the body of Christ. Your actions will be determined by your salvation experience, your core beliefs, and then your virtues.

Let me give you some examples to clarify the differences between the four sections.

You can do all of the functions and not be saved. You can act like a Christian by attending church, giving of your time and money and doing things for others. But if you have never accepted God's gift of grace of salvation, then you are not going to be with God forever in heaven.

You will at some time in your life be put into a situation of choice. A choice may be how you respond to life's problems. How you respond will be determined by your core beliefs. Do you believe that God is everywhere and can do everything? Then how do you respond when something bad happens? Can God change things around you or do you have to make things happen?

You can have great virtues (fruits of the Spirit) and never put them into action. You may be the nicest person in the world, but if you have never served God by placing yourself into a ministry position, then you are not fulfilling what He is asking of you.

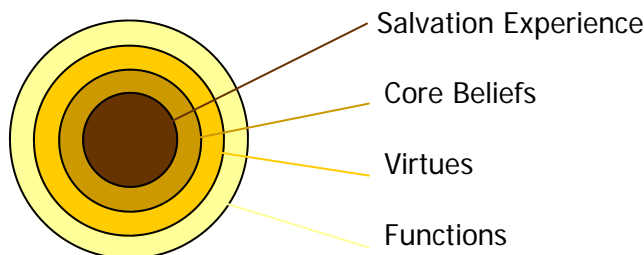

That is why it is so important that each one of these areas be strong in your life. Each one is built upon the next as you grow in the Lord. Each one building a strong foundation.

A strong foundation built upon:

knowing and understanding your salvation experience
having core beliefs based on the truth
learning how to live a virtuous life
and, knowing how to act upon the three items above.

This is what will enable you to live a life that is productive for the work that God has for you.

The following diagram can help you to see how each section provides a strong foundation from which to produce great results. The stronger the foundation, the greater chance for growth of 30, 60, even 100 times the efforts.

As you can see from the diagram on the previous page, your foundation in life is dependant on each layer being strong. Have a weak ring in your life and you will have troubles. The time is now for you to build each ring into a position of strength. A position of strength that will enable you to live a life of service to God and a life that is not going to be swept away by the floods of the world.

As you proceed to take the SGPS, here are some helpful guidelines.

Allow yourself about 30 – 40 minutes to take the survey.

Do not rush through the survey.

Use your first response.

(Thank about the questions but use what comes to mind first. Don't try and figure out what is the "best" answer.)

Print out the survey if you have not already done so.

(This will help you to focus on each question)

Above all, be honest with yourself.

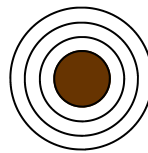

(No one will see your answers unless you choose to share them. You can only improve yourself when you take an honest look at yourself.)

It's time to take the survey ...

YOUR SURVEY RESULTS

Here is where you can record your results from the survey. This record tally will help you to focus on your growth theme for the year which will then help you select items as part of your growth plan.

This will help to give you a clearer picture of your strengths and weaknesses based on your responses from the survey. You will also use this page later in the manual as you create your personal growth theme. And as you fill in the blanks, remember that this is not a test you have passed or failed, but a measuring tool for you to find areas in your life that can be improved.

As you review your responses, ask yourself these questions.

Do I have any numbers that are very low?

Do I have any numbers that are very high?

Is there one particular section that stands out to me?

What are some questions that these answers make me think about?
