

Missionary's Message

This year's Week of Prayer for Associational Missions is May 15–22. The goal of our week of prayer this year is to pray for all of the churches and missions of the SRBA by name.

Below, you will find a Scripture reading and prayer list for each day. Please take a few minutes to read and pray through the Scripture. Pray the Scripture on behalf of the churches that are on the list. Also, pray for the churches to be renewed in their desire to impact lostness and make disciples in their local context and throughout the world.

Ephesians 5:18 tells us to “make the most of every opportunity in these evil days.” Friends, let's make the most of this opportunity to lift our sister churches up in prayer in order to see a great move of God in Eastern NC.

To God Be The Glory!

WMU NEWS

I enjoyed having the opportunity to meet some of you at our recent associational training event. I was encouraged by the ideas you shared from your experiences and, hopefully, we were able to help each other with some challenging areas, too. We were fortunate to have National Guard Chaplain John Mozingo join us for a few minutes. Chaplain Mozingo is responsible for the National Guard Armories in the eastern region of our state.

Chaplain Mozingo shared several ways we could partner with the chaplaincy...from serving free cookies and coffee to the soldiers during their weekend drills, to helping husbands, wives and children when spouses and parents are deployed. WMU's Project HELP for 2014-2018 is PTSD/the military. Every church has access to an armory. The Lord is giving us a ready-made mission field. We, as the church, have an amazing opportunity to be on mission and build relationships with families already a part of our communities.

Please contact Chaplain Mozingo to explore ways your church can minister to the National Guard and their families in your community.
