The NC Missions Offering (NCMO) is received in September. Your gifts support Baptists on Mission, Church Planting, mission camps, associational projects, and mobilization ministry projects. The theme for 2018 is “Open Hands.” Ten percent of donations by SRBA churches comes back to the SRBA to support local mission endeavors. Please give prayerfully and generously.

Missionary's Message

To begin with, I want to thank everyone who participated in this year's Jerusalem Project that was held last month in Tarboro. According to my estimates, we had around 40 volunteers represented from at least five churches in Edgecombe County. It was a wonderful time of ministry together as brothers and sisters in Christ. By God's grace, we were able to show and share the love of Jesus Christ to people of all ages and races. Word on the street is that the Tarboro Police Department wants us to help serve the community again at next year's National Night Out!

The end goal of The Jerusalem Project is not just to do a local mission project and then pat ourselves on the back for a job well-done. It's for us to realize that our churches can come together and consistently make a significant impact for the Kingdom of God. It plays right into the SRBA vision statement: *Vital, healthy churches networking to fulfill the Great Commission*. The Jerusalem Project helps us to see that, yes, we can join with sister churches in Great Commission ministry.

Throughout my travels in the SRBA, I have yet to find two churches that are identical. I have found many similarities in our churches, but I haven't found any that are 100% the same. The greatest similarity I have found in our churches is that they contain hundreds and hundreds of people who worship, love, follow, and serve Jesus Christ and desire to see other people in their communities do the same. Now that is something we can get excited about!

So, here is my challenge to you: Pray and ask the Father to show your church how you can partner with a sister church to impact your town or city with the gospel of Jesus Christ. Also, please be in prayer about next year's Jerusalem Project. The first question our association leaders always ask of the Lord is not where we will do the next project, but if we need to do it next year. We realize that if the Lord wants us to continue this endeavor, he will clearly show us where he wants us to concentrate our energy.

I look forward to seeing you at our annual meeting Monday, October 15 at First Baptist Church, Washington!

To God Be The Glory!
