## Missionary's Message

As we prepare for *Fill The Tank* baptism Sunday on April 16, here is an edited version of an article I wrote in July, 2021.

### 8 Ideas As Your Church Prepares to Fill The Tank

**Pray and Trust God for a Harvest.** Participating in *Fill the Tank* can cause a bit of anxiety because we are being asked to set aside a day for baptisms even if we currently do not have anyone to baptize. We can fret about it, or we can pray and trust God for a harvest. I vote we pray and trust God! Pray now for God to bring a harvest from your Resurrection Sunday services. With God all things are possible!

**Prepare to Share.** *Fill the Tank* gives us the opportunity for intentional evangelism. One of the best ways to share the gospel is by telling your story of how Jesus saved you. Other gospel sharing tools can be found at [fillthetank.org](http://fillthetank.org). Set aside time in the coming weeks on Wednesday evenings or during Sunday School to practice sharing your story with fellow church members.

**Take it Outside!** Hold your baptism service outdoors. Head to a park, town common, the river, or your church lawn. Use a large inflatable pool, a tarp in the bed of a pickup truck, or a galvanized stock tank.

**Join other SRBA Churches in your Community.** Wouldn't it be awesome if several churches got together to celebrate with each other? This is a perfect time to hold the service in a space outside of the church walls as well.

**Make it a Party!** After all, we are celebrating new life in Christ! People like parties, so provide invitations for baptism candidates to send to family members and friends. Be sure to share the gospel with those who attend and invite them to respond to God's free gift of grace through Jesus Christ. Oh, and serve refreshments! It's not a party without cake!

**Involve Others.** Offer parents the privilege of baptizing their children. Also, give the one who God used to lead another person to faith in Christ the opportunity to baptize that person.

**Practice Planned Spontaneity.** Hear me out on this one. Invite people to be baptized along with those who are already scheduled for baptism. After sharing the gospel, you can ask something like the Ethiopian eunuch asked Philip in Acts 8:36, "Look, there's water. What would keep me from being baptized?" Make sure you have appropriate garments and towels on hand.

**Determine to Disciple.** This emphasis provides a prime opportunity to develop a discipleship pathway for your church. Spend time training disciplers who will walk with new believers and help them grow in the faith.
